

Thank you for your future gift commitment to The Canadian Society for Weizmann Institute of Science

Donors who confirm a future gift through your estate and legacy planning are invited to join our ***Vera and Chaim Weizmann Honor Society***. The society was named in honor of Dr. Chaim Weizmann and his wife Dr. Vera Weizmann. At the age of 60, Dr. Chaim Weizmann embarked on a project that would turn out to be one of the major achievements of his lifetime—the establishment of the Daniel Sieff Research Institute in Rehovot, Israel, precursor of the Weizmann Institute of Science.

Members of the Vera and Chaim Weizmann Honor Society are key partners in the Institute's search for answers to the most difficult challenges facing humanity. Whether it is your intention to support a professorial chair, a scholarship fund, or the general needs of the Institute, you play a crucial role in shaping the future—for Weizmann scientists and the world.

As a member of the Vera and Chaim Weizmann Honor Society you will receive:

- A certificate acknowledging your membership
- Invitations to special events
- Recognition where appropriate

In addition, upon fulfillment of your commitment or designation of your gift as irrevocable, your name may be engraved at the International Plaza—the central site for recognition of major gifts on the Institute's campus in Israel.

You also have the option to remain anonymous in terms of public recognition while still receiving invitations to events and our newsletter. The choice is yours. Below is a confidential form which you can complete to indicate your preferences.
